

# Seamless Project Management Provides Defensibility and Leads to 25% Cost Savings

## Company Profile

IP Law Firm

## Matter Summary

An IP litigation law firm needed our assistance with eDiscovery services for a high-profile, international matter. Data was processed, hosted, and managed in a way that delivered a defensible production under budget.

## Services Utilized

- eDiscovery Services
- Document Review

## Client Challenge

An IP litigation law firm was faced with discovery production deadlines and needed assistance with the collection, processing, hosting, review and production for a high-profile international trademark dispute for an international media company.

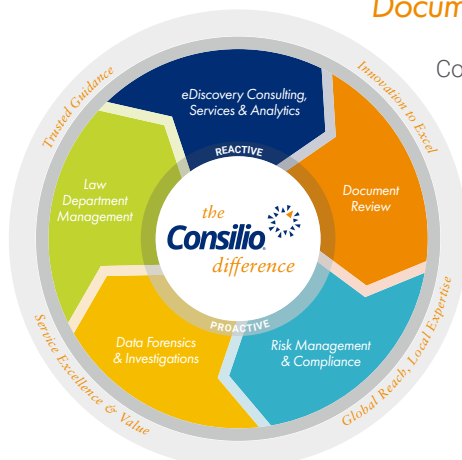

## Consilio Response

With source data located in Central America and Texas, Consilio's Project Management Team and technologists created a global, end to end workflow and action plan from collection to production. The team processed, prepped and hosted data in Consilio's secure processing facility in Kansas. With clear communication channels across eDiscovery and review divisions, Consilio's Managed Review Team hit the ground running, quickly assembling a team of contract attorneys at the Los Angeles Review Center.

## Results Achieved

Consilio's Review Manager collaborated with managing counsel to create the coding manual, live-test the coding protocols, and perform the entire review, including relevance and privilege, in English and Spanish. Working overtime and throughout the weekend, Consilio's Managed Review team delivered quality, defensible production that met deadlines at 25% below budget.
